Bonneville Youth Soccer League (BYSL)

## President's Message

Greetings:

As we enter into a new year and a new season, I want to thank all those who helped 2009 be a success. It's impossible to name all, but Directors, Coaches, Referees, Administrators, Volunteers and Parents thank you. These all helped to serve our primary "customer" the players. It will take another great effort from all to continue to improve our programs for the players. Changes and challenges will undoubtedly be a part of the BYSL future. This naturally comes with growth. And we are growing.

If anyone wants to help BYSL we will find a place to use your talents. Please contact myself or any BYSL Board member to ask how. 2010 looks to be another bright year for BYSL. Thanks again. Comments/suggestions about our programs are always welcome.

**Dean Cook, BYSL President**

## BYSL Director's Of Coaching Message

Hello everyone,

Winter has set in hard now and it's difficult with all of the snow and low temperatures to think of the Spring season outdoors, but it is coming. One of the hardest things for our young athletes is to stay fit through the cold and snowy months.

Many of our athletes do compete in other sports this time of year such as basketball, hockey, etc. and this certainly helps to maintain their fitness. However, many of them are soccer players only and do not participate in other sports.

Off season conditioning is crucial for our athletes now, and will be in the future for any that will move on to higher levels of play. Strive to set good conditioning habits early.

Indoor soccer is available here locally and is a great activity that provides competition and touches on the ball or there is the new Futsol league in Rigby. Indoor practices although limited, can be tailored to provide intensive conditioning as well.

Obviously, anything soccer-like or soccer-related is optimal for our athletes but there are also other options in the area such as weight training and aerobics through our local gyms (Apple, YMCA, Anytime fitness, Etc.), water aerobics, spinning, swimming, and even some custom programs for our soccer players. Please encourage your players to be active through the winter months for a more productive, successful early season. Bottom line: Any activity you can get them involved in will be beneficial.

And don't forget our monthly District ODP training! Watch the IYSA and BYSL websites for dates and venues.

For all of our new coaches (and those that have already begun their 1-year time clock), District II is sponsoring our annual E clinic (conducted by IYSA) here in Idaho Falls March 11-13<sup>th</sup>. For more information, please contact Bobbi Tracy at [bltsoccer@cablone.net](mailto:bltsoccer@cablone.net). If you are a BYSL coach working in any of our programs, the league will cover the registration fee for you.

Here's hoping the snow leaves early, and I'll look for all of you out on the Pitch!

**Charlie Brizzee, BYSL Director of Coaching**

## BYSL Registrar's Message

### Registrar Update:

Registration has begun! Several teams have turned in paperwork and are getting ready for early tournaments. Please remember that all players need to be registered with IYSA to be covered by insurance and to participate in spring tournaments/games, so the sooner you get rosters and paperwork to me, the sooner you will be ready to go!

Coaches and managers turn in paperwork to your club registrar, and they will turn it in to me. If you are an independent team, you can turn your paperwork in directly to me.

If your child is interested in the U12 or YDP programs please refer to those sections of the BYSL website for more registration information at [byslsoccer.org](http://byslsoccer.org).

### A few reminders:

1. Please have players fill out paperwork completely. I need phone numbers and emails to complete the new electronic registration.
2. All coaches and managers must fill out the Coach/Manager/Volunteer Release form. (available on the BYSL website or the IYSA website)
3. Maximum roster limitation of 18 players for U16 and younger teams and 22 players for U17 and older teams.
4. Remember BYSL rules require a minimum number of 14 players to be able to register.
5. Registration forms and rosters are delivered to Mary Lund, and all payments are delivered to the BYSL treasurer, Michelle Sorenson.

If you have any questions, please feel free to call or e-mail me.

**US Youth Soccer:** Welcome to the World of Soccer ... Soccer is a universal sport. Every country in the world plays it. You and your child are joining over 3,200,000 youth players of US Youth Soccer. Go anywhere and you will be able to play and to become a part of the local action.

## Comments from US Youth Soccer about Small-Sided Matches

### Advantages of Playing Small-Sided Games

#### Benefits to the Child:

- More time with the coach
- More practical space to be successful
- Increased number of contacts with the ball
- More actual playing time
- Energetic workouts due to playing both offense and defense
- Required to make more quality decisions
- Experience repeating game situations more frequently
- The work rate and involvement of a player stays consistent
- While learning both offense and defense, a player will become more complete and will understand more readily the roles and importance of teammates
- The smaller ball is lighter and more easily kicked, trapped, dribbled, and passed.

### Benefits of the Small Field:

- More efficient use of space
- Games can be played simultaneously across a full size field
- Children are physically more efficient in smaller space
- Takes less time to achieve goal or advance to goal, more successful
- Children are actively involved for a longer period of time

### Basic Rules:

- Player Safety
- Player Fun
- Respect
- Sportmanship

*These basic rules apply to players, coaches, parents, and spectators.*

**NOTE:** BYSL offers training courses for all of their coaches: Youth Modules, USSF E License and USSF D State & National Licenses taught by our Idaho Youth Soccer Association (IYSA) Director of Coaching. If you are an approved coach for BYSL, the cost of the course will be covered by BYSL.

# BYSL Coaching Information

**BYSL COACHING REQUIREMENTS:** Coaches (and assistant coaches) MUST have a soccer coaching license in order to coach for BYSL. New coaches have a one year grace period in order to get their coaching license.

**NOTE:** BYSL offers training courses for all of their coaches: Youth Modules, USSF E and USSF D State & National Licenses taught by our Idaho Youth Soccer Association (IYSA) Director of Coaching; Steve Adlard (or his designee). (These courses are scheduled once a year in IYSA District II, and other areas throughout the state.) BYSL will cover the cost of both the E & D licensing courses for all approved BYSL coaches.

Notification of IYSA coaching courses will be sent out by BYSL personnel and posted on the BYSL Website.

### USSF D Licensing Course

USSF National D License Course, July 8-10 & 15-17, 2010. Taught by: Steve Adlard, IYSA DOC. (Additional Details forthcoming!)

This course is a 36 hour course, taught over two weekends. There will be two practical exams and one final written exam, an oral exam, and a referee exam. The E course gives you an overall concept of coaching soccer. The D course builds upon the concepts of the E course and gives you practical training experience for coaching kids.

*After you receive your E license, I strongly encourage you to get your D license. Both of these training courses are excellent, and coaches will be better prepared to help their players by participating in these courses. (Bobbi Tracy)*

## USSF E Licensing Course

*Taught by: Steve Adlard, IYSA DOC*

The USSF E and D license clinics are IYSA District II sponsored events. IYSA District II runs from Marsh Valley to Teton. BYSL and GCYSL co-sponsors these events; and shares the cost of hosting these training sessions. Therefore, the location is also shared between the two largest affiliates. (Both Pocatello and Idaho Falls facilities and personnel are utilized.) Please contact Bobbi Tracy, [bltsoccer@cablone.net](mailto:bltsoccer@cablone.net) for a registration form or additional information.

The deadline and fee for the USSF "E" course are: **DEADLINE: FEBRUARY 25 (\$10.00 Late Fee After Deadline); Member: \$70 ( ) / Non-Member \$90 ( ); (After Deadline - \$80/\$100).** If you have any questions, please contact Bobbi Tracy, [bltsoccer@cablone.net](mailto:bltsoccer@cablone.net) / 524-4352 or Charlie Brizzee, [Charlie.brizzee@apria.com](mailto:Charlie.brizzee@apria.com) / 681-2139. Note: If you are an approved coach for BYSL, they will cover the cost of the course.

### Idaho Youth Soccer Association (IYSA) – Director of Coaching

Stephen Adlard played soccer at the professional level for several seasons in England. He was a member of the Nottingham Forest (first division) and Lincoln City (fourth division) teams, but never played at first-team level.

From 1982 to 1986 Adlard was an Assistant Coach for the University of Evansville soccer team. From 1986 to 1988 he was the Head Coach of Davis and Elkins and then moved on to become Director of Soccer at UNC-Asheville from 1988 to 1991. From 1991 to November 2005 he was the Head Coach at Marquette University.

## Referee Information

**Parents, players, coaches:** have you ever wondered where all the referees are? Why you didn't have one for your game? [Help us, help you](#) --- by attending a referee course. You ask; when is the next referee course? Continue reading:

**DEFINITIONS:** For those not familiar with all the soccer acronyms, being USSF certified is what is required to referee youth soccer games in the spring, jr. high games in the fall, and adult league games in Idaho Falls. USSF certification does not certify you to referee College, High School, AYSO, Indoor Soccer, Hispanic League, or Rexburg City League. However, the training you get from this clinic can easily cross apply to all of these other groups.

The USSF Entry Level Course / Clinic is 16 hours in length. There is also 1 hour for the written test and 1 hour to grade it and finish registration paperwork. Cost is \$25 for the Clinic + \$40 to certify. Certification will be good from February/March, 2010 to December 31, 2010. You will need to recertify each year to maintain your certification.

Are you wondering if you can "afford" to attend the course? Do I have an answer for you ☺! BYSL reimburses first-time certified referees after they officiate at least five (5) games during the year (which can be accomplished within the first couple of weeks of the spring season).

Are you wondering how you get scheduled for BYSL games; simply contact the BYSL referee scheduler. For those that are currently certified (or once you get certified) -- (for BYSL Spring and Fall matches) -- contact Shel - she will put you to work! **BYSL Referee Assignor:** Shel is anxiously awaiting your call / e-mail!

### New SDI Announcement

“It is my honor to announce the new Idaho State Director of Instruction (SDI), David Palmer. Most of you already know, but for those that do not, I have moved to the position of Idaho State Youth Referee Administrator (SYRA).”  
*Peter Stilling*. - (Dave is from the Coeur d’Alene area and Peter is from Rexburg.)

*Congrats and best wishes to both David Palmer and Peter Stilling in their new roles for the state organization.*

## Volunteers & Donations

“Looking for a few good men and women:” ☺ Are you good at public relations, organizing events, and working with a group of people that want to get things done? We have a place for you as BYSL’s Fund-Raising Committee Chairperson. If you are interested or have questions please call **Michele Sorenson at 523-6933.**

The City of IF and BYSL ... will expand the soccer complex to the South with four full-sized fields. BYSL has a fund raising campaign, called "Soccer Under the Lights," to fund fencing, a scoreboard, and lighting for one of the fields; this project is progressing. However, we are still looking for donations to be able to complete this project. If you are interested in providing financial assistance to Soccer Under the Lights, (or services in-kind) please contact **Mackay Hanks at [soccerunderthelights@gmail.com](mailto:soccerunderthelights@gmail.com) or 390-6749.**

**Volunteers Needed:** Besides a Fund Raising Committee Chairperson; we are also looking for additional volunteers to help with: Field Painting, Our Top Soccer Program, Our Passback Program, Soccer Under The Lights, and Referees just to name a few. Or if you have a special talent that you think might help with any of these programs or any additional ideas and wish to share, please let us know.

If you're interested in learning more about any of these programs or if you can help in anyway. We need you. Please help support our league, our programs, and our kids. Looking forward to hearing from you. Please contact **Dean Cook at [pigsrus@srsos.org](mailto:pigsrus@srsos.org) or 201-3808.**
