

# **BYSL ANNOUNCEMENTS**

## **August 2010**

### **1. BYSL Adopted IYSA Playup Rules for Competitive Teams**

#### **Grandfather clause:**

For players who are currently registered as 1 year or 2 year play ups in any age group they will be grandfathered to stay with their current team in the next age group for the upcoming season 2010/2011. However, if a player changes teams beyond their current team 1 year older they will forfeit this right and must comply with the new play up rules.

#### **Competitive teams:**

U10 Age pure, no play ups or play downs

U11-U14 1 year play up allowed. Teams will be limited to 20% of their rostered team being play ups. Club pass players may be used up to the limit as stated by State Rules, but this may not exceed the 20% rule.

U15-U19 2 year play up allowed without permission of the State. For more than 2 year play ups a written request and the appropriate IYSA form must be sent to the State office prior to the issuance of the official roster.

These rules are consistent with current BYSL rules and regulations with the exception of the 20% rule. Contact Charlie Brizzee or Dean Cook with any questions.
