### **New Business:**

**State Cup 2005 proposal:** The changes were postponed for one year. State Cup qualifying will be completed for the entire state in one week (probably the last week of April) but this

hasn't been finalized. The district meeting will be held this weekend to decide how our District will do the State Cup qualification and club passes.

**Spring Team Tryouts:** The board discussed several dates and decided to hold them on Saturdays, so we didn't have to worry about daylight. Bobbi Tracy made the motion and the motion passed as follows: Tryouts for U13 & U14 girls & boys will be held October 23 (Saturday) at Community Park. Tryouts for U15 and up will be held November 6 (Saturday) at Community Park. (Time: TBA.)

IYSA has requested that the weekend of September 25 be kept open for a soccer program with ISU. We're not sure what age groups will be involved.

**Items of Interest:**

**BYSL Web Site:** Carol Hoffman has requested ideas for items to post on the web site. The web site is located at <http://www.byslsoccer.org/>.

**Stoplight at the Old Butte/Broadway Intersection:** A recommendation that Old Butte Road be extended south to meet Pioneer Road and provide north-south access to the new Sunnyside/I-15 was adopted by the Policy Board of the Bonneville Metropolitan Planning Organization. That action puts the extension into the plan project category for projects within the next six years. The traffic generated by the extension should more than qualify the Old Butte/Broadway Intersection for a traffic signal.

**Next Board Meeting will be September 9 at 8:00 p.m. at the Idaho Falls Library.**
