President's Message

Bonneville Youth Soccer League (BYSL)

BYSL Director's of Coaching Message

Greetings:

I hope all of you made the summer vacation you wanted.

Fall is here and BYSL is going strong. YDP has U-6, U-8, & U-10 teams all ready and playing. We also have U-12 teams in district play. We have 5 girls and 5 boys teams.

Jr. High has 9 boys & 9 girls teams. It's a good season already.

Watch for spring try out information in this edition of the Far Post. If you're interested in coaching for the spring season, please contact me at the information listed below.

If anyone wants to help in the league, please let a Program Director or Board Member know of your interest. All contact information is at BYSLSOCCER.ORG.

Remember we have a large number of youth referees in BYSL and our goal is to keep and improve them each season. Please don't scream, yell, or abuse them in any fashion. We want/need these kids to stay in the program and become young adults still participating.

For current and up-to-date information, please **LIKE** us on Facebook, at Bonneville Youth Soccer League.

Thanks for your help! Have a great fall.

Dean Cook, BYSL President
pigsrus@srsoa.org – 201-3808

Greetings everyone,

Fall is upon us and the temperatures are still quite high for us, so ensure that your players are hydrated adequately both on and away from the pitch. Budget frequent water breaks into your training sessions for your players: if your players feel thirsty and have to ask for water.... It's too late. Hydration is extremely important for our athletes enabling higher muscle compliance (elasticity) for reduced injuries and ensuring proper neurological synopsis and better performance.

All of the BYSL programs (YDP, U12, JH) are well underway as well as the High School season. Our players are out on the pitch competing; wishing the best of luck to everyone.

The BYSL Spring Tryouts have a different format this year with different age groups on separate weeknights immediately after the fall seasons and they will be here sooner than you think. For all coaches interested in a spring club team, remember to get me your Coaching requests no later than the **October 21st** deadline. No new coaches or teams will be accepted after this date to allow for adequate preparation time for Tryouts.

Also remember that IYSA requires a Volunteer Disclosure form for EVERY season (Spring and Fall) for all coaching staff and Team Managers... *anyone* involved with our teams that are around our players. These forms need to go to Cheri Cook (BYSL Registrar).

District II ODP will begin in late October and will run through April (with double sessions in April). The District II ODP training sessions will be held in the Rigby Indoor Facility again this year with Carlos Elizondo (A License) will be conducting the training. ODP is great training for our more motivated players that aspire to play beyond local youth soccer.

See you all out on the pitch!

Charlie Brizzee, BYSL Director of Coaching

BYSL Tryout Information

WHAT TO EXPECT

All clubs are represented at tryouts, and players follow instructions as to which field to go to during the process, regardless of their preference. All players tryout for all teams (in their age group). It is important that all coaches see all players and vice versa. Coaches use the tryouts to develop their list of Player Preferences. At the end of tryouts, the Team/Coach Preference forms from the players and the Player Preferences from the coaches are evaluated to match teams and players.

A committee meets the following week and the new season rosters are compiled and returned to the coaches. Once these rosters are returned to the individual coaches, then they may contact the players listed on their new team roster, **but only those players**. Contact from the coaches can be expected within 10 days after Tryouts.

Once a player has gone through the Tryout process (& has indicated their team preferences on the team/coach preference sheets, (reminder, players can change their picks prior to leaving the field after the 2nd session), those players are now considered “Committed” and contact to/from representatives (Parents, Players, Coaches, Managers, etc.) from another team is considered Illegal Recruiting & IS NOT tolerated.

CHOOSING A CLUB: Choosing a club can be challenging especially if you’re new to the tryout process; however, a checklist of FAQs that a parent should consider when choosing a club is provided below.

BYSL TRYOUTS: When players first arrive, they must submit a completed BYSL registration form at the sign-in table. (The registration form can be downloaded off the BYSL website.) At the end of the 1st session, players will be required to return the “completed” Team/Coach Preference” form to the sign-in table. The Team/Coach Preference form lists the teams (and their coaches) that are available for that age group. The player identifies which team he/she wants to play for in order of preference. (Be sure to pick more than one coach, not everyone gets their first choice.). If desired, players will be allowed to change their picks after the 2nd session (prior to leaving the field).

On each ballot, the age group, the clubs, and the coaches’ will be listed. You will be asked to pick first, second, and third choice, etc., in order of preference. You MAY NOT get your first choice, so you are required to pick a second and a third choice to make sure you are put on a team at the end of the day. Sample Ballot (Mark all that apply):

Age Group: U13 Girls (SAMPLE)

Clubs & Coaches:

1. Manchester United: Wayne Rooney 3
2. Real Madrid: Ronaldo / Marta 1
3. Everton: Tim Howard & Mia Hamm 2

After you have marked your “picks,” then turn your sheet into the registration table. ****MARK ALL SLOTS**** in order of preference; Good Luck!

So how old is my child (in soccer years☺)?:

FOR PLAY UPS - APPROVAL IS REQUIRED

First, is your son or daughter in the right age group for which they are trying out for? Check the dates (above) to confirm. **NOTE:** if your son or daughter is playing up to the next older age group, this must be noted on the registration form and a request from the coach to the BYSL Director of Coaching (or his designee) MUST be made in advance for his/her evaluation and recommendation. (*Play-ups are allowed on a limited basis only.*) Please confirm the “playing” age of your child for the 2014 seasonal year: **August 1 - July 31** (Age group chart – above.).

CHOOSING A CLUB

Choosing a club to tryout for can be a confusing process. What you can expect at tryouts is to arrive and almost immediately be asked to list your club preference. It is wise to ask a lot of questions prior to arriving at Tryouts and needing to make that choice. Consider your son/daughter's own goals, ambitions, and skill level. Below are some additional considerations. It is highly recommended that you attend the BYSL "Open House" (meet and greet) to gain additional information prior to coming to tryouts.

- 1) You want to find a team that your child has (or can make) lasting friendships. It helps to have friends on the team both in terms of enjoyment and in your ability to car pool, etc.
- 2) You want to find a team that is at the right level of competitive soccer. Some teams are very competitive which will affect the amount of play time for each of the players, the amount of time commitment (how many games and practices per week), and the overall expense of the spring season (team fees and travel costs). **Be aware that spring soccer is more expensive than fall soccer** mostly due to tournament fees and traveling costs (some clubs offer partial scholarships to offset these costs).
- 3) Don't stress too much during tryouts, remember, they are supposed to be fun.
- 4) The first time you attend tryouts, it will seem hectic and slightly overwhelming. It is recommended that you arrive at least 15-20 minutes early to complete your paperwork and to relax before taking the field.
- 5) **Bring ball, shin guards, water, and a signed registration form to tryouts.** The registration form can be downloaded off the BYSL website (byslsoccer.org, under forms) or you bring the one located in this newsletter.

QUESTIONS TO CONSIDER

Here are some questions you may want to ask the different coaches at the BYSL Open House to help you decide which team (& coach) is your first, second, and third choice:

(Remember to pick multiple choices.)

- What are your goals for the spring season?
- What is your coaching philosophy?
- How many times do you plan to meet/practice per week
- When will your spring practices begin?

- What are your coaching credentials? And coaching Experience?
- Where will you practice? How long are the sessions?
- What tournaments are you planning on entering, and how many?

- How much travel will be involved (day trips vs overnights)?
- Who are your assistant coaches?
- Are there any additional activities for the team?
- What is your plan for the Indoor season? Is it mandatory?

- What is your plan for winter conditioning?
- What is your player substitution policy? Playtime?
- How do you manage conflicts between music/sports/church activities?

- Does your team play Sundays?
- How does the club support the team?
- What are your expectations from the parents?
- What is the expected total season cost?

BYSL COACHING REQUIREMENTS

Coaches (& assistant coaches) MUST have a minimum of a NSCAA Level 4 license in order to coach for BYSL. This course takes 12 hours to complete. New coaches have a one year grace period in order to get their coaching license. It is strongly encouraged for all to follow up with a NSCAA Level 6 license ASAP. These are two great courses that will help both you and your players become more educated and have better training sessions.

IYSA District II offered two NSCAA Level 4 coaching courses this year. BYSL had 17 coaches at the March session and four (14) coaches at the August session. The next NSCAA training should be scheduled in March 2014. If you're interested/available in attending in March please let Bobbi Tracy know (bltsoccer@cablone.net). Details forthcoming.

IYSA District II – SRL

The IYSA District II Snake River League (SRL) Season runs from March through May. Games are played up and down the valley from Teton to Marsh Valley. Games are scheduled on Tuesday, Wednesday, and Thursday evenings, and all day Saturday. Individual teams generally play one game during the week and one (maybe two) game(s) on Saturday. Some additional games may be scheduled with Twin Falls or Jackson Hole (on a Saturday) at the coaches' request (and team availability in those areas).

During the Spring season there are several tournaments throughout the local area and in Boise as well as in surrounding states.

Competitive teams may travel to Utah, Vegas, Colorado, or Montana tournaments. Which tournaments each team (or club) travels too are up to the clubs or the individual teams themselves.
