- We have four committed U-12 girls teams, no U-11's. There may be enough girls for a second team, and there is a coach, Taylor Hanson, that will step up for the first team. Start is week of March 26<sup>th</sup>.
- For the U-12 Boys there are 6 committed teams and at least 1 more possible. Two of the teams are U-11 teams.
- D. **YDP Program** – U-8's & U-10's start March 31<sup>st</sup>. Dean is still the acting director.
- E. **Treasurer** – Judy Brower – Judy was not present, Dean presented the report, there were no outstanding issues to report, everything is balanced.
- F. **Registrar** – Cheri Cook – Cheri is done and is only waiting on a few forms. Rick Ure is still looking for U-15 boys if anyone knows of any. Juan Munoz for Xtreme has not registered. Fusion is still missing some volunteer forms. Next year we are going to work on setting a deadline so that we can find placement for boys if teams fall through. After this deadline BYSL will impose a registration late fee.
- G. **Shootout** – Jamie Prestwich – No Updates

- H. **Website** – Dan Beck - See new business item below. Director’s photos are in; if they are missing Dan has input a soccer ball. Website looks great
- I. **Equipment** – U 13+ Balls - Dean Cook -Dean has sent them an email to the club presidents asking for the equipment needs of the club. Nets, flags, cones, and pennies. Clubs need to get back to Dean with an order ASAP. Xtreme is the only club that has not responded to Dean with this request. One of the U-11 teams has received a sponsorship from papa toms pizza and wants to put the logo on the shorts. Dean will forward via email so that we can vote.
- J. **Far Post** – Bobbi Tracy-
- K. **DII** – Bobbi Tracy- Dates of play are Tuesday through Saturday. Snake River play will start March 26 and will run through the first week of June 5<sup>th</sup>. Dean has the schedule set up and ready to roll, he will have it released soon. All cancelations and changes are \$50 this year, last year Dean changed or cancelled at least 100 games. We will not have use of any of the four new fields, so we will be using fields for 26 teams for U-13+ and teams will have to travel a little more and they will have to play Friday nights. The district will bill affiliates, so BYSL will have to decide what to do with bill. The district will take teams off the schedule if they do not pay the \$50 bill. BYSL will bill the clubs or independent teams. If they go unpaid then the teams games will be removed until the bill is paid. Please make sure they team managers and coaches look at the schedule when Dean releases it around the 17<sup>th</sup> of March. Email or call Dean immediately to make any changes before the games are set. Julie Nawrocki makes a motion that BYSL will bill the clubs or independent teams if we receive a bill from District 2 for any schedule changes or cancellations. Bobbi Tracy seconded.
- L. **IYSA** – Bobbi Tracy - Saturday March 21 & 22, we need 15 minimum for the NSCAA Level 4 course, but we only have 10 signed up. The biggest issue is that it is the weekend before Spring break. Friday night, Saturday morning with Peter Stillings. If the enrollment doesn’t increase they will cancel it. We really need to get coaches to come out to take this course. BYSL will reimburse you for the cost if you are an accepted coach for our club. Students need to be at least 16 to take this course. Players and coaches are welcome....please ask your coaches and older players to participate.
- a. IYSA AGM - is coming up and Dean will get a vote signed by the board if needed. District commissioners are voted in by their affiliates; Bobbi was voted back in as a district commissioner. There will no longer be a Director of ODP, and all positions are un-contested.

**Unfinished Business** – Team Connect Code – Through BONZI, if we were doing on-line registration we would have these team codes, but for now the best thing to use is the “not Listed” option until we go on-line.
