a. Proposed Changes in Fees:

- i. A modest increase in fees will be proposed for the Board's approval for the upcoming seasonal year.
(U6=\$50 (no change); U8/U10=\$60 (+\$10); U11/U12=\$75 (+\$10); Jr. High=\$90 (+\$10); Club=\$120/\$125 (+\$20)).
- ii. Budget for next year. We have not raised the upper club fee for over 5 years. We are asking that the scholarship fee be increased to \$50 instead of \$38.75. The \$11.25 would then go to BYSL, and the \$38.75 for the State.

- iii. We have not rectified for the IYSA account and the referees have not been paid, and we have not paid for the fields. After those expenses come out we will be around \$20 k.
- iv. Motion to approve the fees increase by Judy Brower seconded by Bobbi Tracy.

F. **Shootout** – 60 teams, \$7000 was our net after expenses. Shoot out was a success. Jamie is officially resigning from the tournament director.

G. **Website-N/A**

H. **Equipment**- We are looking for an equipment director. Field issues: Dan met with Greg Wetzel and they are going to limit the use of the fields N1-N4. They are putting up score boards on N1 & N2 because the state tournament will be here this year. There will be a Dean Cook Memorial Field on N1. The city is considering renumber the fields 1-12.

It will have LOTs of info in it; i.e., High School, Jr. High, U12, & YDP dates. Also a new BYSL Director of Coaching and U12 Director will be named.
