DII / IYSA: There will be a Referee Abuse Policy that will be sent out as soon as it is finalized. There is a new club, “Kaos”, that has been approved out of Pocatello and it is provisional provided that they have 3 teams for a 1 year. There were some discussion about the Junior High Program with regards to game score, etc. Bobbi Tracy will send a report out to the Board and Club Presidents as soon as her notes are finalized.

Jason Lance asked if there was an avenue for coaches/parents to give feedback to referees. Bobbi Tracy stated that she and Peter Stilling both implemented a feedback system on 2 separate occasions with very little feedback.

Alex Jones, is at the IYSA office, he is a good avenue for this conversation. At the IYSA office they are tracking patterns of referees, and then can provide feedback or guidance about this.

The Arbiter system would help with tracking referees & scheduling referees.
