Brandon Lee	Blizzard Tournament	Discussion of Blizzard Indoor Tournament: 30 teams participated (22 last year). Tie breaker rules were added. Futsal type rules were implemented successfully to limit physical contact. Only 3 games per day was observed with one exception. Better communication with managers. No halftime was observed. Medical kit was on hand. Big tournament schedule was printed out and was very helpful. Need to find a way to show the scores of each game so the spectators and players know what the score is. A concession area would be well received for next year. 27 paying teams. We made about \$100 per hour in revenue. Net profit to BYSL is \$1400.	
Jason Child	Keeper Camp	Proposal for an 8-9 week camp. Pay Ryan Cook \$100 per class for two classes each week as a base price. BYSL players pay \$5 per session, \$15 per session for non-BYSL players. The player revenues would be split 50/50 between Ryan and BYSL. We would have 26 participants if each	Tye Funderburg Motion to approve Fred Gooch seconds the motion. Unanimously approved.
